

## International Competition Budget 2017

For 2017 it has been decided that there will be a competition budget for archers attending international competitions. The overall budget has been set at €3,500. It will be divided among the following competitions as follows.

<b>Event</b>	<b>Funding Available</b>
World Senior Championships MEX	€1000
European Field SLO	€500
World 3D's FRA	€500
Jr Euronations	€500
Sr Euronations UK	€500
Berlin, World Cup	€500

These funds will be divided among the archers attending each event. Archers must attain the qualifying scores to go to the competition to be eligible for this funding. Archers must agree to make up any shortfall in the cost of going to attain these funds. In the event that any of the competitions are not attended the funds may be reallocated to another event by the AI executive.

### Performance related funding

We have allocated funding for individual performances at World cup, World championship or European championship archery events.

This funding will become available retrospectively and will be based on ranking in the competition.

Funding will be as follows

- Top 8 finish – €250
- Top 3 finish – €500
- 1st place finish – €1000
