

Archery Ireland All Ireland Series

Cancellation or Abandonment of Competitions Regarding Point Allocation

Cancellation of Shoot Prior to the Day of the Competition:

- Points will be awarded to all archers that have enrolled and have not themselves cancelled prior to the competition being cancelled.
- Points will be awarded based on the average of the Total Points that would have been given out to the combined archers in that category.
- If Series Leg cancelled more than 4 days prior to the start it is the host clubs responsibility to reschedule at a later date if possible. **No Points will be awarded for the original planned Shoot**

Abandonment of Shoot after THREE SCORING ends have been shot:

- Points will be awarded based on the totals submitted up until the competition was abandoned.
- Points will be only be awarded to archers who submit filled in signed scorecards.

Abandonment of Shoot before THREE SCORING ends have been shot:

- Points will be awarded based on the average of the Total Points that would have been given out to the combined archers in that category.
- Points will be only be awarded to archers who submit filled in signed scorecards.
