

*Levikom Team Challenge is one of a kind competition, taking place for the second time. Qualification and elimination rounds are shot according to WA rules and will be shot on the first day. The aim of the second competition day is to put our competitors in a new situation – shoot team rounds with archers from different gender, club and bow division. Levikom Team Challenge gives everybody the opportunity to feel the pressure of shooting very equal matches.*

*NS Archery Club welcomes everybody to take part of the fun weekend!*

## Time and place

---

Time: 2. - 4. August 2019

Place: Haapsalu City Stadium (Staadioni 16, Haapsalu, 90504, Lääne maakond, Eesti)

## Format

---

Competition consists of **individual qualification round, individual elimination round and team Round Robin**. Elimination round will be shot in four categories. Robin Rounds will be completed according to qualification round results, no matter the gender, bow division or club.

### Individual competition

Individual competition will be according to World Archery and Estonian Archery Federation rules. Qualification will be shot with 6 arrows at a time.

Bow divisions and competition formats:

Recurve men	70 meter round	2x36 arrows	122cm target face
Recurve women	70 meter round	2x36 arrows	122cm target face
Compound men	50 meter round	2x36 arrows	80cm target face
Compound women	50 meter round	2x36 arrows	80cm target face

Best 16 archers in qualification round of each category get to shoot elimination rounds. Elimination rounds will be shot according to WA rules.

### Team Round Robin matches

All archers can take part of team competition. Teams will be put together according to qualification results. Teams will be formed as equal as possible (sum of qualification round results of teams differ as little as possible) with a program by organizers.

Teams will be divided into groups. Teams in the same group will shoot against every other team in their group once, following the rules of match play. Final places will be decided by the matches between the winners of each group. All team matches will be shot at 70 meters according to the set system rules – each team has 3 members, every member shoots 2 arrows at time.

More precise description of the Round Robin tournament will be sent to competitors after the end of registration.
