

Score submission system

The new score submission system has been designed to allow archers to submit scores on line for the following processes:

- National record applications
- National team record applications
- International selection scores
- National ranking scores

The main score submission menu can be navigated by the following link

[Score Submission site](#)

The general flow of the system is as follows:

- Select the required score type
- Enter archer/score details
- Submit the form – validation occurs on submit – so errors will be detected and reported back to the archer
- Confirmation screen displayed
- Archer is emailed with a copy of the data entered
- The Archery Ireland records officer will be notified of any submitted scores
- The records officer will verify the score submission and accept the score if valid
- The records officer will verify the score submission and reject the score if invalid
- The archer will get an email stating that the score has been accepted/rejected (reason will be given for rejection)
- If the submission is for a national record the archer will be notified of the awarding of the score and will also receive their record certificate at the same time.
- There may be a delay in the record appearing on the website as the webmaster is asked to update the records manually. (We will endeavour to automate this. However this requires a complete overhaul of the current website records system, and is not currently being looked at.)

The main screen gives a button for each of the above options and allows the archer to enter the relevant information required for each submission. The screen can be seen in figure 1

All mandatory fields are labelled with an *

Archery Ireland	
Archer ranking score/National record score/International selection score - submission	
	National record
	National ranking score
	International selection score
	National team record

Figure 1

National record submission:

On selecting the National record button, the archer will be presented with the following screen:

Archer - Irish Record claim submission

Discipline (*) Target Competition type (*) Outdoor

Class (*) Senior Gender (*) Male

Bow Type (*) Recurve Score to submit (*)

Submit

The ranking scores submission screen allows archers to enter scores that will determine the ranking of all archers in their respective class/category. The rankings can be seen by navigating to the following link

[Ranking tables](#)

Ranking score report

Class (*)	Senior	Gender (*)	Male	Bow Type (*)	Recurve	Score class	Outdoor	Discipline	Target
-----------	--------	------------	------	--------------	---------	-------------	---------	------------	--------

Display ranking table

Rank	Archer name	Average arrow
Archers (not met ranking criteria - but have scores entered)		

Rankings are based on the average arrow values based on the valid scores accepted on to AI ranking system, that were entered in the previous 68 weeks (prior to today). Any scores that pre-date the 68 week window will not be counted. An archer will not be included in the rankings if they have less than 4 qualifying scores. The scores counted are the ones that have been accepted onto the system by the Archery Ireland scores administration, and fit the inclusion date criteria.

The archer can make a selection from the combo boxes at the top of the screen to give specific ranking tables.

Class (*)	Master	Gender (*)	Male	Bow Type (*)	Compound	Score class	Outdoor	Discipline	Target
-----------	--------	------------	------	--------------	----------	-------------	---------	------------	--------

Display ranking table

Rank	Archer name	Average arrow
1	Mark Higson	8.692
2	Adrian Sims	7.964
Archers (not met ranking criteria - but have scores entered)		

The rankings are based on the following criteria:

Average arrow values based on the valid scores accepted on to AI ranking system, that were entered in the previous 68 weeks (prior to today). Any scores that pre-date the 68 week window will not be counted.

An archer will not be included in the rankings if they have less than 4 qualifying scores. The scores counted are the ones that have been accepted onto the system by the Archery Ireland scores administration, and fit the inclusion date criteria.

The scores that are used for the rankings can be seen by clicking on the archers name in the ranking list, the following screen will be displayed in a new window:
